“ *Donnie & Melissa,
So sorry for your loss. Nancy was a wonderful caring person. When I would visit my mother in the nursing home Nancy would always have a smile and kind word for me. She would sit and talk with mother whenever she had the time and even got her to play cards once in a while. Nancy and I shared the love of IU basketball and would analyze the last game or talk about the next game on the schedule. She truly cared about the residents and it showed. She will be missed!
