“ So sorry to learn of Norms passing. Having been a 12 year classmate, & a life long friend, I can attest for his competitive spirit, & a man of many talents. Some fond school memories included playing indoor horseshoe games against him in an the 5th, & 6th grade, & competing in ping pong (table tennis) in the school basement during lunch breaks. I didn't dare challenge him in round ball games, as he was a true athlete, & I was a watcher. Though he has left for a new beginning, his accomplishments will live on. My sincere condolences to Terri, & family, & Norms family. Won't be able to attend the services, but my heart, & spirit will be there. RIP NORM!
