“ *Mrs. Johnson was my physical education teacher at Reitz High School. She was an inspiration to the girls she taught.*

“ *Pat and Bob were best friends of my parents throughout my childhood. My sisters and I loved visiting their home. We had picnics at the nearby park and enjoyed picking up nuts in their woods. They were important members of our family even though we had no blood relation. My younger sister Patty, now 63, was named after Pat. Our thoughts and prayers are with you all.*
