“ My condolences to family. I've lost a dear friend, & a respected mentor. I have many cherished memories of morning coffees at Hopfs Cafe. 1 that sticks the most was a question I posed to Paul, which exhibited his outlook on life. "If you had a choice to relive the past, or know what the future holds, which would it be?". He replied. "Neither. I'm perfectly happy living, as I do today." Thank you, & Hilda for helping to make today a lot easier.
