“ So very sorry to hear about Phyllis! I went to school with her and she was 1grade below me. She alway took time to talk to me anytime I saw her, especially at the socials. She loved my mom, Uncle Vince, and Aunt Etta very much! I'll miss her and her smiling face!

“ Sam and Dan way too many great memories of your Mom, and my beloved Godmother to share just one she made so many great childhood memories visiting and playing at your house growing up. And many more getting my hair cut and permed! I will treasure them all and she will always hold a special place in my heart. So many hugs to you both and prayers of comfort and peace in the coming days. Love you Moni

“ Phyllis was so very active and involved in the community. We especially remember when she was an after school care giver . She taught our grandchildren to play clabber after school . Phyllis was involved in the neighborhood caring for neighbors when they asked for help. We will miss her dearly. Please accept our sincere sympathy.
