“ My first meeting with Ralph was in Des Moines, IA. Donald introduced me with a nickname he gave me. This went on all week. He finally turned to me and said, " what IS your name paddlefoot!" It was my birthday so us four went out. Ralph and Julie were the one who got the present! A little later Micheal. My heart breaks with you, Christopher, and Micheal. May God wrap you in his arms and give you peace. Ralph was truly one of the best. Julie if I can help you be in anyway, if you need to scream at somebody, I might even let you be punch me! Just not to hard! I'm just a reach away. Love you always
