“ *What a great guy Ray was! I have lots of good memories of him. But one in particular, I remember back in the early 1980's, he was "tubing" with us on Kentucky Lake. He wanted to stop so he kept signalling a "thumbs-up" which means "go faster" to the rest of us--- talk about a miscommunication! But he hung on for dear life until we just finally stopped. We laughed about that for years. He was also with me when I caught my first fish.*

*Rest in peace, Ray. I'll always remember you.*

*We will miss Ray and cherish the memories.*
