“ I wish to extend my deepest sympathy to Carl, David and Kathy and Julie and of course the rest of Becky's family. I apologize for not mentioning everyone at this time. Becky loved her family and always looked forward to being with them especially on holidays. Becky and I go way back and I cherish all the times we spent together through the years. She was the kind of friend that everyone needs in their life. I loved her like a sister. Now she is with her mom and dad and her brother. You will be missed by many pretty girl!

I am forever thankful to have had Becky as a neighbor and dear friend for the past 35 years. She inspired my love of growing flowers and helped me care for my daughters as they grew into adults. Becky always had time to invite you to sit on the patio with a cold drink and was genuinely interested in how you were doing. I will always treasure the memories.
