“ Dear Tammy and Sheryl,
I was so shocked to read about your Mom`s passing away just now. I cannot express how sorry I feel for your loss. And I feel I cannot express, especially in English, what I would like to say to you.
I just really want you to know that I have all these wonderful memories of your Mom. It was an experience, I will never forget, staying at your home for 8 weeks back in - I believe - 93. Coming from Germany to the US for the first time to a family I did not know - your Mom with all her warm welcoming, her humour, her loving care made me feel like home and like one of her own children. I have so many detailed memories, how she picked us up from school or the games and took us to dinner, how she fixed cookies for us, how she arranged for me to meet my German friends, how we took trips by car through the countryside and went shopping for Autumn decoration, how she took me on a little history excursion one day and many many other things. And of course Tammys beautiful wedding. I cannot believe, she is not there anymore. I will always keep her in my memory.
Tammy and Sheryl, I wish you strength and believe in this moment. I send you all my love and my parents`love, too.
Yours, Kathrin
