“ *We are so very sorry for the loss of Bob. We know that he was a strong mentor for his children and grandchildren. We have known him through his involvement with his horses, which I know he loved and cared for many years. Many blessings for the family during this time of sorrow. Patty and Eric Lutton.*

“ To Bob's Family,

*I am sorry for your loss. My parents have lived next door to Bob since the early 2000's. Growing up, I would always see Bob doing various things: riding and caring for his horses, tending his garden, riding in his tractor, or feeding dog food to the fish in his pond. Bob was one of the toughest men I knew! I saw him numerous times limping or having an arm in a sling which was usually an injury from his horses. He never let an injury slow him down! He was the epitome of a cowboy. Bob was kind enough to give side jobs to my brothers and I growing up. He would also let us fish in his pond and pet his horses. A true neighbor that is becoming more rare to find. I hope you all are able to find peace knowing that Bob is at peace and with his Heavenly Father now. I send my condolences, thoughts, & prayers to you all.*

Love,

*Andrew Jordan (1028 Oliver Rd)*

“ Bob has been the best neighbor that David & I have ever know. He’s been like a grandpa, teaching each of our children the value of hard work. His presence on Oliver will be greatly missed. Everyone in our family has experienced his value to this world. To infinity and beyond our friend, look forward to seeing you again❤️.
