ROBERT W. WORMAN
NEW HARMON, INDIANA

Robert “Bob” Wayne Worman, 75, of New Harmony, Indiana, born to Forrest and Juanita (Creek) Worman on February 3, 1942, in Evansville, Indiana, went to be with his Lord and family on Sunday, March 24, 2019, at Premier Healthcare in New Harmony, Indiana.

Bob was a very social person and loved to be among other people. Bob resided at Premiere Healthcare in New Harmony for the past 11 years. Although he would have preferred living on his own, his health would not allow it. He contracted polio at the age of 6 and lost the use of his legs. Until his later years, the inability to use his legs never slowed him down. He walked on crutches nearly all his life and did not need additional assistance until the past 14 years. Bob was commonly seen with a smile on his face and he loved to laugh with others. As a child and even as an adult, he helped his father farm for many years in Stewartsville, Indiana. He would drive a tractor by pulling himself up on the John Deere 4020, as well as other machines. Bob could drive any machine or vehicle he obtained the keys to. During his younger years, he attended the University of Evansville for accounting and worked as a bookkeeper for many years. He also enjoyed working on small engines and had his own radiator repair shop. Bob was President of the patient council at Premiere Healthcare for many years. He would meet with residents and take

their concerns to management to discuss. Although not an official title or job, many people called him the greeter at Premiere. He was often found out front greeting people as they came and went. Bob never met a stranger and his memory was amazing. He could recall names of people he had not seen in 25 years when they walked up to the visit.

Surviving are two sons and one step-daughter: Shawn (Dawn) Worman of New Harmony, Indiana, Shannon Worman of Gulf Breeze, Florida and Melinda Medici of Daphne, Alabama; four grandchildren: Blayne Worman of New Harmony, Indiana, Madison Hatch of Evansville, Indiana, Brice Worman of Gulf Breeze, Florida and Destiny Lee of Daphne, Alabama; two sisters: his twin Betty Gibbs and Vicki McWhirter as well as nieces and nephews.

Preceded him in death were his parents and sister: Judy York.

A special thank you to the staff of Premiere Healthcare for caring for Bob all these years. He built special bonds with many of the staff over the years.

Per Bob's request, no services will be held.

“ *About 10years ago some ladies in our church and myself started visiting the New Harmony health care facility once a month on Mondays. That is when we first met Bob. Since that time he became more than a resident, he became a very dear friend to all of us. He would always tell us how much he appreciated us being there. Not just the leader, but all of us. He was always such an encouragement to us. Each one would tell you the same. We loved Bob and although we are glad that he is not suffering anymore and is with Jesus we will miss him very much and there will sure be an empty space when we go again. “ *Bob was such a presence at North Posey--a lifetime inspiration for all his classmates. I was one. My thoughts are with his family as I remember his giving to all who knew him.*

“ So sad to hear of Bob’s passing. We always talked to him when we would go to visit my mother, Frances Schutz. Bob did his best to get mom to join in on the events at Premier, although so rarely left her room. He even got her to be his partner playing cards on several occasions. Mom thought a lot of Bob and liked talking to him. You have our condolences and prayers. Sincerely, Steve and Christine Johnson

“ We are grieved that Bob has left us, but we know he had and has a strong faith in Jesus Christ. We look forward to seeing him again some day. We will always remember the day we had the opportunity to baptize Bob into Christ at the Oak Hill church of Christ. Bob was a great supporter of our Wednesday morning Bible study at the Premier Health Care. We enjoyed visiting with him each week. May the Lord comfort Bob’s family.

“ I will surely miss Bob!
Have known him since I was a small child. Especially visiting my Grandma and at one time working at Premiere Health care. He was a very special man! WENT to visit couple weeks ago and I hadn't been for a while. As usually Bob Greeted me at the door. Loved his smile!
He rolled up to me. And He said" Where you been?" And, he knew my story of course. He was just part of my family knowing him all my life.
He then looked me straight in my eye and he then said." Get your A**
In there with your grandma."
LOL!
Sending my sympathies to his family.
You are at rest now my friend. You have ran your race here on Earth. Seemed you never had a bad day. You always were smiling and pushing yourself way beyond your limits every single day. Dedicated you were! You rest easy now my friend. You can now fly High as you wanna fly! You have been set free! You will never be forgotten!
LOVE YA MR. BOB! ❤️
HEAVEN GAINED ANOTHER ANGEL! 🙌🙌🙌🙌🙌🙌

“ He was a man with great passion, didn't matter what kind of day he was having he always went out of his way to greet people, I saw him many times racing that wheelchair around the parking lot. I'm so very sorry for your loss, he will be missed by many people ❤️
