“ *Roger was a friend of our family when I was growing up. I was the fortunate recipient of a handcrafted clock as a wedding gift in 1986. I have thought of him each time I check the time on that clock. What a precious gift...the gift of time.

“ So sorry for your loss, I remember Roger with a smile from way back when we were kids in the neighborhood and Roger was the handsome "older" boy across the street. I remember ALL of the FRY family with affection and happy thoughts.

“ Roger and I shared man lunches together during the 70's and 80's. I loved his sense of humor, his sense of right and wrong, and especially his love of his family. A fine man and a loss to all of us remaining.
