“ *I am just heart broken. I was so close to Rose (Mama) on facebook for several years, she was so dedicated and passionate about her country and the Presidency. I am so sorry Mama Rose that I hadn't spoken to you in so long, my son committed suicide and I was grieving terribly, I was medicated and confused. Today as I felt that familiar feeling of frustration over the behavior of the Obama's, suddenly you popped into my mind and I excited went to your fb to tell you how much I miss you, but I saw that your posts stopped abruptly Dec. 2018.....after a little investigating I found this on your daughter's FB page....I cried, but then I remembered our talks about Amber and I felt better knowing that you made your journey and you are now with your 1 of your precious girls who you loved so dearly. I will miss you Mama Rose, Rest in Peace my very special friend bring the angel to protect our President and help this country to survive the evil it fights.....I knw you are still fighting!!!! I love you*
