“ I remember Sandy as a child. She used to come with my neices and nephew along with other members of the family to my house when Larry and my sister Ruth (Gibbs) Wheeler brought the kids for visits. Cooked many a meal for those kids. She was a wonderful teen ager and grew into a wonderful loving person, mother and a blessing to those who could call her a friend.sa stranger. There was always a smile a a pleasant conversation to be had with her when she ran into her. She is truly going to be missed. But by her life - we know she is in heaven with other members of our family including my sister Ruth, her husband Larry Wheeler, her mother Wilma who too was an angel on earth and others. She will not be gone from our hearts Sandy. RIP

“ Sandy was sweet and very patient. One year at inventory, Jim asked me to go help her scan her department which at that time was the fabrics. Needless to say I had never used a Gemini but Jim told me Sandy would show me what to do. I don't remember how many times I had to go to her because I had done something wrong. Every time she was very sweet and patient with me. I am retired now but I will always remember her. RIP SANDY you will always be missed. God will take care of you. Marilyn Ellis.

So very sorry for your loss. Wilma, I used to sell Tupperware several years ago and had couple Tupperware parties at your house. Not sure if you remember me or not. Just wish there were some way I could ease your suffering. Only thing I can say is God has another Angel and He will take good care of Sandy. I was raised in Cynthiana and am the only sister of the Gee boys. Lived in Cynthiana when selling Tupperware. Sending all my prayers. Kathy Allen

“ I'll never forget our conversations about our kids growing up and talking about how much we enjoyed certain theater productions at Gibson Southern. You were one of the kindest people anyone would ever meet, and you left us way too soon. We will be sure to be there for Emily, Evan, and the rest of the family.
