“ My condolences to the family. Scotty was one of our neighborhood kids growing along up along Chris and my brother Joe. Although he was several years younger than me he was always a fun kid to hang around with. Later, we seem to both get into a lot of stuff together, but never got caught. John Smith

“ I remember meeting Scott freshman year at NP. I was the new kid that didn't hardly know anyone. I sat right next to Scott and he was a huge presence being on the Football team. He started asking me questions making small talk trying to help me with my nerves and emotions. We made friends quickly and he told me if anyone gives me problems just let him know and he would handle it. Scott was a nice guy with a huge heart. I never forgot what he did for me making me feel welcome and safe. The last class reunion we had I was able to reconnect with him and we had a great conversation about all the memories we had through the high school years. Prayers to the Wilder family may God give you strength and comfort through this time.
