“ *Jim and Jeanne and family,
Sharon was a huge part of the Cale Street gang! We all remember fondly palying with her on sunny afternoons....in that great magical tree. Your parents and you took such great care to make her life very normal. i had no idea when i was youngshe was just my friend who loved to play Batman and always had a good time. I wish i could be there to give you a big hug and let her know that she was a huge part of my childhood. I think my world was a whole lot nicer with her in it. I know all my sisters feel the same! She is a very special angel in heaven.

So sorry to hear about your loss. Soon we want have to pain or worry about losing our loved ones to death, for God will get rid of death forever, yet until then ones in his memorial tombs will be resurrected (John 5:28-29). I hope this comfort you.
