“ *I love you daddy! You will be missed by so many. I know you are smiling down on all of us now. I'm so thankful for the time we got to share. You were always such a hard worker whether it was serving our country or working in your garden. Thank you for passing that on to me. I will never forget how you taught me cursive at age 4, or our trip to Rend Lake & Opryland, or how you would let me sit on your lap and drive down country roads at age 5 (I definitely get my lead foot from you!). Just some memories of my handsome dad who will always have a place in my heart. Rest in paradise daddy with our Lord and Savior Jesus Christ. XOXOXO.....*
