“ *Diane, Sally, and family- I am so sorry to hear of your loss. I always enjoyed talking to Tom at the softball games when Sydney and Sally played on the same team; and later, after the girls grew up. He was so easy to talk to, and he will be missed by many. I just wanted to let you know I'm thinking of you, and keeping you in my prayers. God Bless You! Josie Davis*

“ To Marian, Sally, Peg, Danny, Diane, Barb and all the old Sunmont gang, and all others who loved Tom:

I think Tommy was my very first friend outside of my house across Sunmont street from his. I remember playing with him when I had to get permission to walk across the street, and later on talking with him on the phone on Winter days about whether he'd come over and bring his Hot Wheels or I'd bring my Hot Wheels over there.

I saw Tom only every so often after he moved from Indiana to Illinois and I moved to California for a while, in the 80's. Last time I saw him was maybe 6 or 7 years ago (?), and it was just exactly the same as it had always been between us, like we were there to bat whiffle balls onto the K-Mart roof with Danny and Greg and Scott (my brother). Except we were both showing some age!

I loved Tom so much, even though we were spread so far apart for so long. Last time we talked was a few years ago when he found me at the apartment in Columbus where my wife Tanya and I lived then. (We have a house now.) It was so good to talk to him! I've told Tanya about him so many times! So many stories.

Like the time when he and I hopped in Glenn's [my brother] Volkswagen --- no license, either of us, stick shift. And we took an accidental woods ride and ended up stuck in Perry Heights, somewhere near Bob and Craig Washburn's house. I think it was my fault. My ass was grass. Tommy just howled with laughter. He was so ornery!

Bless you all! Bless Tom, my lifelong friend. I've never forgotten him, and I never will. May he find great peace and love!

With so much love,

Craig
