“ Just saw this. I grew up w/ Buddy & Terry and Brenda (taught me how to skate) and Roberta in our neighborhood. The boys were like my brothers, given my brother was much older than me. Buddy would arrange baseball, basketball & football games, as well as mumblety -peg, ante- over (Andy over) games as well as bicycle trips to recreation for us kids. Once he challenged us in requiring finding a four-leaf clover before we could go to recreation. 😊 He watched over us like a mother hen, always being a fair leader and keeping peace. Blessings to you, Moore's, as you remember Buddy; may he rest in peace. You were all wonderful, welcoming neighbors that provided good fun as our other neighbors, the Murphys moved to Ohio and the Caters moved up town. Your parents and mine were the first 2 families to purchase a home in the sub-division,, circa 1952. Your mother was a hoot and so funny! It was good to see you all again 20 years ago. “ Sorry to learn of Buddys passing. He was a very mild mannered man, who I never saw mad, or upset. RIP! My sincere condolences to his family. BOB GEE.
