To Winifred's family-I worked with your mom at the hospital for years and loved her every minute. She was kind, patient, and loving to the patients and staff alike. Just wanted to share my sorrow at your and my loss of a friend and loved one.

“ Winnie was a very loving, caring person in my life, who helped get me out of alot of fixes I managed to get into. But in fun, I'll always remember the time she took us to Pittsburgh, and we stayed downtown. (The Penn Hotel I think). Along with Jane, I'm sure I can say it was truly an unforgettable weekend! Rest in peace with Jesus sweet Winnie.

Jane , Susie and Family,

I think of us all growing up in Ashtabula and your house was always the house to go to.I We all shared a lot of good times there and that was because of Winnie and Rueben being so gracious. We epecially loved going there after Winnie's card club and having "winnie dip". Winnie was so ahead of her times, attending college in her 50's. You can find peace knowing Winnie and Rueben are together again.
